Unit no. AC-20

IKM Testing AS

WORK CONTAINER

Dimensions

Length(mm)....:	4877	Width(mm)....:	2437	Height(mm)....:	2851
Weight - Tara (kg)....:	3500	Weight - Payload (:	12500	Weight - Gross (kg:	16000

Lifting/ Transportation....: Container with forklift channels and lifting slings. DNV 2.7-1. EN12079
Certificate(s) / Serial No:....: DNV 68985 / AC-20 / 07 141

Construction year

Built....: 2010

Area of use / certification

Onshore/offshore....: Offshore
Standard....: Norsok Z-015, Zone 2
Over Pressure (Yes/No)....: No

Type

Item type....: Offshore Work container - Accumulators
Container Type....: Work container

Content

Content....: Oil tank: 50 litres
Crane: TKS 23600, WLL 1000 kg

Air fan:
Systemair Ex 140 – 4C Max 154 l/sek
EEx eq II T3 Cert no: SP03ATEX3101X
230 V 50 Hz 0,63 A 113 W / 240 V 60 Hz 0,65 A 147 W

- Workbench w/vice and drawers
- Heater
- PA
- Lighting
- 230V sockets
- Lifting ear in ceiling, anchorage points in floor
- Fire extinguisher 12kg.

Connections

Inlet connection....: Water: 1 ea. 1” Offshore claw coupling
Air: 1 ea. 1” Offshore claw coupling
Outlet connection....: Water: 3 ea. 1” Offshore claw coupling
Air: 3 ea. 1” Offshore claw coupling

Power supply

Fuse (qty)....:	1	Fuse (A)....:	16
El.Power1....:	230 V	(Hz)....:	50/60

Additional information

Equipment / Functions....: Håndslukker 12 kg.
