**Dear customer/supplier of IKM Laboratorium AS**

IKM Laboratorium management team, IKM Group and Trescal Group are pleased to announce that, effective August 31<sup>st</sup>, 2022, IKM Laboratorium (org. 952 245 503) has been acquired by Trescal.

The acquisition will allow us to better serve your needs. Trescal, the international specialist in calibration, provides a single service solution for precision calibration expertise in every industry, geography and instrument across the world. It has 380 laboratories in 28 countries.

We will continue to focus on quality, continuous improvements, employees and equipment investment, and our commitment to customer service. Our customers will benefit from the breadth of scope of a global organization and the personal attention from our local service philosophy and management structure.

In terms of your day-to-day dealings with IKM Laboratorium, you will not experience any disruption or change on calibration activities. It will be business as usual. All staff, contacts and phone numbers remain the same. All matters in respect of accounting, including payments, will continue in the same manner and place as they are at present. The rental business of IKM Laboratorium has been demerged to a new company, IKM Instrument Rental AS (Ljosheimvegen 14, 4051 Sola) (org. 929 640 683), which remains part of IKM Group.

As part of the agreement, IKM Group and Trescal have also entered into a long-term strategic partnership to continue exclusively serving IKM Group and its clients.

IKM Laboratorium is truly looking forward to being part of the Trescal team! We have enjoyed being your preferred calibration vendor and hope to remain so.

Should you have any questions or concerns, please feel free to contact Karianne Birkestøl Eiken at +47 917 32 849 or at [Karianne.Eiken@IKM.no](mailto:Karianne.Eiken@IKM.no).

Yours sincerely

**Sebastien Montarou**  
Trescal Director Scandinavia
