

## Technical datasheet

Kirasol 360

Item number: 12014

### Introduction

KIRASOL-360 is a high speed cleaner that will safely remove carbon products, vegetable oils, lubricants, synthetic coatings, polymeric binders, grime, and many other contaminants that are difficult to remove even with petroleum based cleaners. After use the contaminants phase separate and can be removed allowing the cleaner to be reused.

### Before Cleaning

### After Cleaning

Example Removal of polymer residues with KIRASOL-360

### Capacity & performance

### Weight & dimensions

Physical state	Liquid
Odour	Characteristic
Colour	Light brown
Boiling temp/range (1013 hPa)	100° C

Flash point	62° C
Density (25°)	0.952 ±0.05 g/cm3
PH Value (25°)	10 ± 1
Water solubility (20°C)	100 Wt %
